

3 March 2025

Dear Valued Customer,

We understand that transparency and trust are crucial in maintaining a strong relationship with our customers. With that in mind, we would like to inform you of an important and unavoidable price adjustment that will take effect as of April 1<sup>st</sup> 2025.

Due to South Africa's challenging economic climate—such as persistent inflation, forex volatility, and global supply chain pressures—we must implement a price adjustment effective 1<sup>st</sup> of April in order to maintain the quality and reliability of our products and services. Orders confirmed by 31<sup>st</sup> March will still qualify for current pricing.

We remain committed to providing you with the high-quality products and exceptional customer service that you have come to expect from MACTOOL. MACTOOL thanks you for your patience and ongoing support. We deeply appreciate your understanding and partnership as we navigate these headwinds together.

Should you have any questions or concerns, please do not hesitate to reach out to our sales team for further details.

Kind Regards,

Anthony McLea
